Arris/lounge chair **Gala Wright**

The Arris lounge chair is part of Gala Wright's Arris range that includes dining and lounge chairs, coffee and dining tables of various sizes.

The Arris range is suited to home and commercial use – it is used in bedrooms, reception areas and hotels as well as lounges and conservatories. It is also available to an outdoor specification. The design is based on a 3-way bridle joint, which gives the range its visual distinctiveness as well as a great inherent strength. Arris is made in Cornwall by highly skilled craftspeople, and each piece is finished by hand.
