Spin/recharge table

Tomoko Azumi

Designed with practicality in mind, this family of compact side tables works alongside sofas and soft seating as telephone and occasional tables. The innovative Spin recharge table incorporates a container which houses an extension lead outlet and chargers for mobile phones and other devices, making sense of the usual tangle of charger and adapter wires.

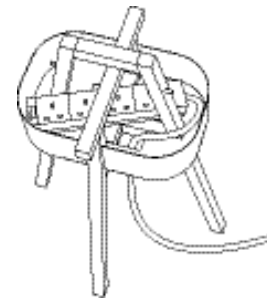

Specification/

Available with European oak or American black walnut legs with spun steel top and casket powder-coated in white (RAL 9010).

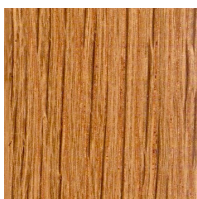

Other colours are available on special order.
