## Spin/side table

Tomoko Azumi

Designed with practicality in mind, this family of compact side tables works alongside sofas and soft seating as telephone and occasional tables.

Along with the Spin side tables the Spin recharge table incorporates a container which houses an extension lead outlet and chargers for mobile phones and other devices, making sense of the usual tangle of chargers and adapter wires.

### Specification/

Available with European oak or black American walnut legs and steel shelves powder-coated in white (RAL 9010).

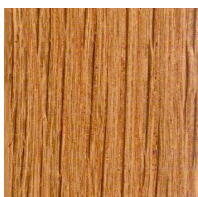

Other colours are available on special order.

### Dimensions/

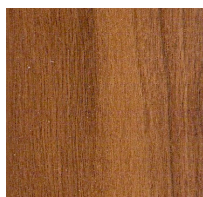

Spin tall	450 diameter top; 680 high
Spin low	450 diameter top; 480 high
