

# BOSCO I

The Bosco I range combines contemporary design with traditional materials and detailing. A less formal version of Bosco II, the sprung base and layered cushions of foam and duck feathers offer generous comfort with an efficient footprint. The frame is jointed, dowelled and glued using beech and European oak timbers.

| SEATING ELEMENTS        | W    | D    |
|-------------------------|------|------|
| <b>Corner sofa</b>      | 2600 | 2600 |
|                         | 450  | SH   |
|                         | 725  | H    |
| <b>Extra large sofa</b> | 2600 | 920  |
|                         | 450  | SH   |
|                         | 725  | H    |
| <b>Large sofa</b>       | 2000 | 920  |
|                         | 450  | SH   |
|                         | 725  | H    |
| <b>Medium sofa</b>      | 1800 | 920  |
|                         | 450  | SH   |
